

Financial Services
Guide (Part A –
General Details)

Version 7.0

7 August 2023

Important

We are required by law to give you a Financial Services Guide (FSG), that helps educate, protect and assist you to make an informed decision about the financial services we offer.

The financial services we refer to in this FSG are offered by your advisor as an authorised representative of Oreana Financial Services Pty Ltd ABN 91 607 515 122 AFSL 482234 ("Oreana"; "we"; "us"; "our").

Oreana Financial Services – Financial Services Guide (“FSG”)

This FSG is an important document. It is designed to assist you in deciding whether to use any of the financial services offered by us. This FSG is divided into two parts and both parts must be read together. Each part outlines the following information.

Part A - General Details

Provides information about:

- Oreana, their relationship with your Advisor and other entities.
- Other documents you may receive.
- Financial services and products we provide.
- Collecting your personal information and providing instructions.
- What you can do if you are not satisfied with our services.

Part B - Representative Profile

Provides information about:

- Who your Advisor is and how they can be contacted.
- Financial services and products your Advisor is authorised to provide.
- Fees or other costs your Advisor may charge.
- How your Advisor and any other relevant parties are remunerated

Please read and understand the FSG in its entirety. If you ever have any questions, please contact us using the details set out in this FSG.

The following section outlines how Oreana, the Licensee receives certain fees and commissions from product providers and manages other relationships in the group.

These relationships restrict Oreana from being referred to as independent, impartial, or unbiased. However, the application of these points will vary across our network as each practice operates in a different but transparent way. Please refer to your Advisor Representative Profile – Part B for more information.

Not Independent

- If you implement our Insurance advice recommendations, we may receive a commission payments directly from the Insurer.
- For some listed security transactions, such as hybrid securities, we may receive remuneration and benefits (stamping fees) from the product issuer.
- Oreana Financial Services is a part of the Oreana Group of companies, including Oreana Portfolio Advisory Service (PAS). We may utilise the investment services of Oreana PAS, which may include Managed Accounts.

Although we're required to act in your best interests, receiving payments from product issuers means that we aren't independent.

Who is responsible for the financial services we provide?

Oreana Financial Services Pty Ltd ABN 91 607 515 122 is responsible for the financial services provided and authorises the distribution of this FSG.

We are the holder of an Australian Financial Services Licence (AFSL), number 482234. You can contact us at info@oreanafinancial.com or Level 17, 627 Chapel Street, South Yarra, VIC 3141.

Our associations and relationships

Oreana Financial Services Pty Ltd is an Australian firm and part of the Oreana Group of companies

“Oreana Group”). The Oreana Group comprises of divisions including Oreana Private Wealth and Oreana Portfolio Advisory Service, a service your adviser may recommend. Oreana may receive a fee associated with this service if recommended. We also advise on and arrange the issue of financial products from a range of financial product issuers outside of the Group.

Oreana Financial Services Pty Ltd also offer financial planning advice through a network of high quality, self-employed practices which have specialist expertise in a range of areas. Further details for these practices are outlined in the practices' Representative Profiles which accompany this FSG.

How will we advise you?

When you meet with us for financial advice, we will assess your current financial position, as well as your future goals and objectives and provide advice and recommendations which will consider your personal circumstances.

The advice will come in the form of a written Statement of Advice (SoA), and will include:

- Our understanding of your personal circumstances and financial objectives;
- The strategies and actions we recommend and the basis for our recommendations;
- The financial services and /or products being recommended, and the reasons why;
- The fees and /or commissions that are paid to us and our representatives; and
- Disclosures of any associations we have with any financial product issuers or other parties which may have influenced our advice.

Subsequently, any time we give you further financial advice, we will give you (and keep on file) another written record of that advice. You can request a copy any time by contacting your advisor.

Other documents you will receive from us

In some cases, such as we are providing recommendations that refine or complement our previous advice, and where there is no material change to your circumstances, it's neither practical nor necessary to provide you with a SoA. In these cases, we will instead keep a written record of our recommendations and retain this Record of Advice (RoA) for seven years. You can request a copy of the RoA, or the SoA to which it relates, within seven years of the date of the service and we will provide it to you without charge.

If you wish to engage us in an ongoing relationship with you, this can be done using an Ongoing Fee Arrangement, or a Fixed Term Arrangement.

An Ongoing Fee Arrangement enables us to provide you with ongoing advice, support, and service. Each year you will need to sign a Client Consent Agreement to re-confirm the terms of our engagement. In addition, you will receive a Fee Disclosure Statement every year to ensure that you understand our services and their costs.

A Fixed Term Agreement enables us to provide you with advice, support, and service for a fee and term agreeable to both parties, which generally lasts for 12 months. Prior to the end of the 12-month term, we will discuss with you the advice, support, and service that you require for the next 12-month term, and we will sign a new agreement with you to define the agreed fees and services for the coming year.

As well as an SoA & RoA, where applicable, you will also receive a Product Disclosure Statement ("PDS") about any financial product we recommend (except for listed securities). Each PDS will outline the relevant product in detail including features, benefits, conditions, costs and cooling-off rights (if applicable), in order to assist you in making an informed decision about what is right for you.
